EDUCATION

Information Technology and Mobile App Web Development
(2019)
STI College Alabang

Bachelor of Science in Information Technology
Undergraduate
Pamantasan ng Lungsod ng Muntinlupa

PROJECTS

CRUD Web Application

A website that has a create, read, update, and delete functionality. And also, you can upload image to it.

Github: *https://github.com/russellbanares322/react-firebase-crud*

REACT JS | Firebase

Games List Web Application

A website that displays a ton of video games, with the help of a Free-to-play Games API. It also has a pagination and search functionality. I used Axios library to fetch the api.
